Description	<p>【Ten-Drum Cultural Creative Group】</p>  <p>Ten-Drum Cultural Creative Group was established in October 2010, Ten-Drum Cultural Creative Group Arts drumming injected new life in this century heritage, with "conservative innovation" and financial concept, will stop recycling unused sugar warehouse space, and then retain the Taiwan sugar historical appearance, which corrosion is magical, creating both the arts and humanities connotation of the natural environment and percussion performances</p>

fusion field. The park for recreation, tourism, school teaching, is a full cultural and intellectual new tourist attractions.

【Love River】

Flowing through the heart of downtown Kaohsiung, the park-lined Love River is a popular leisure and recreation spot. Take a boat tour to fully enjoy the river sights, which are especially lovely at night. You can also take in the view cycling along the river banks.
